

School Supply List

You have two options for school supplies. You may choose to either purchase the supplies listed below or pay a one-time supply fee. We are offering the supply fee option for two reasons: we have limited storage space to receive all of our supplies at one time and supplies are cheaper to purchase in bulk from our school supplier. If you choose to pay the supply fee of \$25.00, you will do so at the Back to School Night. If you choose to purchase the following supplies, please bring them with you to our Back to School Night. Regardless of which option you choose, each child will need a backpack to carry items to and from school. Please do not label the supplies with your child's name. All items are shared in the classroom. Please let us know if you have any questions. Thank you!
